AFFINITY BUSINESS PLAN FACT SHEET

Running a member-based organization is a challenge today. Finding and keeping good members is only a part of it. Time is limited in our world and nationally member-based organizations are struggling to fill their rosters or offer competitive benefits to their members at a reasonable cost.

The AirMedCare Network is here to help. At no additional cost to you, we can provide member benefits to any organization with more than 150 potential members. All we need from you is your commitment to help us reach your members!

As an Affinity Partner member of the AirMedCare Network, anyone involved in your organization will be offered a standard discounted rate to join the AirMedCare Network. They will enroll and pay individually, cutting down on any administrative duties you'll need to perform. It's quick and easy and they can even do it online!

ABOUT THE AIRMEDCARE NETWORK

In a medical emergency every second counts, especially when transporting patients who are far away from appropriate medical treatment. No one knows that better than AirMedCare Network (AMCN).

AMCN providers respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility.

AirMedCare Network is America's largest air ambulance membership network. AMCN provides coverage across 320 locations in 38 states with over 3 million network members.

Expenses for emergency air medical transport can put stress on your finances. With an AMCN membership, you will have no out-of-pocket expenses only if flown by an AMCN provider. Membership fees cover not just yourself, but anyone who resides within the household.
